WE ARE EXCITED TO ANNOUNCE WE HAVE A GUEST SPEAKER FOR OUR PARISH DINNER AND TRIVIA NIGHT!

Dr Ken Elliott and his wife Joceyln ran a hospital offering lifesaving surgery in West Africa for more than 40 years. They were kidnapped by Islamist extremists linked to al-Qaeda in January 2016. Jocelyn was released after three weeks, but Ken endured brutal conditions for seven years. He was quietly released in 2023 at the age of 88. Against all odds, they turned a journey of suffering into a legacy of extraordinary faith and resilience.
